## *PREFACE.*

---

This makes the sixteenth volume in the series of Brookline Blue Books. It is larger than any preceding volume, showing there is an increase in the list of inhabitants.

We have taken considerable pains in canvassing to get the correct names. There will be some errors in printing, that we cannot avoid. Some information has come in too late to publish.

We have a larger list of advertisers and a greater number of subscribers than last year and we believe there are many more residents of Brookline who now know that there is but one Brookline Blue Book.

We wish to thank all those who have aided us in furnishing information of any kind in compiling the book as well as those who have courteously treated our canvassers.

We call particular attention to the announcements of our advertisers and trust they will receive a return for their expenditure.

Expecting to issue the book again next year, May 1st. We remain

Respectfully

EDWARD A. JONES.

# AT THE HUB!

Boston is like a wheel. The spokes all lead to the Hub, and nearly every street brings you to the congested centre which is so near our store. Washington Street and Tremont Street here draw close together, and the population thickens to the square yard.

If you are in the State House, the Court House or City Hall, in the Parker house or Young's Hotel, in the Tremont Building or the Tremont Temple, in the Museum or the Athenaeum, in Kings' Chapel or Park St. Church, in the Subway, on Park, Beacon, Court or School Streets, or on your way to the Union Station, you are very near to the most complete stock of drugs and pharmaceutical supplies in Boston. A Drug Store for over a century!—the best place in the city to have prescriptions accurately prepared from fresh, pure drugs of standard quality.

### Interesting To Ladies

Ladies should learn what a treasure a "DRESS FIGURE" FORM made EXACTLY one's style and size is. Hundreds of references could be furnished, if it were our custom from ladies who have favored us with their orders. With it dress fitting is made a pleasure.

UFFORD'S NEW PAT. EXTENSION BUSTS are the delight of dressmakers. 3 sizes, each making 6 changes. Send for illustrated circular of our New Departure 1901 Patent Extension Forms incomparably Superior to any on the Market.
